Dear Sponsor,

Our Lady of Guadalupe Catholic Youth Organization sports program offers a safe, fun, yet challenging environment where participating youth may maintain physical health while they participate in a variety of sports: basketball, volleyball, cross-country, track and field, softball and cheerleading.

The Catholic Youth Organization is an athletic program for elementary and junior high age youth in the parishes of the Roman Catholic Diocese of Oakland. CYO sports are offered to young people by the Church as a ministry to young people. In CYO programs, emphasis rests not on the number of games won or lost, but on the participants' attitude in victory or defeat. CYO enables the gifted to excel and the less gifted to participate and improve.

Providing practice facilities for our teams requires us to rent gym time from local schools in the Fremont area. On an annual basis, it takes \$15,000 to \$17,000 to operate our program. In order to continue to serve the community and to help shape the minds and bodies of our players, we need your help.

The children, parents, coaches and Board members would like to thank you in advance for your support.
